

2025  
General Assembly Meeting  
CEIR Congress

14-15 May 2025 | Brussels

Policy, Innovation &  
Industry Competitiveness

## Theme

The **CEIR 2025 Annual Meeting (GAM & Congress)**, taking place on 14-15 May 2025 in Brussels, brings together manufacturers, national associations, and EU policymakers to meet and address key issues for the taps and valves industry.

The two-day event includes discussions on water resilience, the Drinking Water Directive, REACH reforms, environmental standards, and global trade competitiveness.

Attendees will gain insights into EU policies, engage directly with decision-makers, and explore solutions to strengthen the industry's sustainability and competitiveness.

With keynote speeches, expert panels, and networking opportunities at the heart of EU policymaking, CEIR Congress 2025, is a must-attend platform to shape the future of Europe's taps and valves sector.

Policy,  
Innovation  
& Industry  
Competitiveness

### Highlights of the 2025 Congress Themes:

- |                                   |   |
|-----------------------------------|---|
| <b>Water Resilience:</b>          | Working together in securing Europe's water future.                 |
| <b>Drinking Water Directive:</b>  | Understanding and implementing Article 11 effectively.              |
| <b>Chemicals Regulation:</b>      | Navigating the REACH reform and PFAS Restrictions                   |
| <b>Environmental Declaration:</b> | Simplification and harmonisation of environmental standards (EPD)   |
| <b>Industry &amp; Trade:</b>      | International Cooperation and EU Competitiveness in a complex world |

### Unique Value for Members, Industry, and Stakeholders:

- **Early Insights:** Learn how new EU policies will affect your business.
- **Direct Engagement:** Share your perspectives with EU policymakers.
- **Co-Create the Future:** Shape a competitive and sustainable Taps and Valves industry

*Connecting industry leaders, national associations, and policymakers*
